Manningfords calendar photo competition

We're pleased to have received several wintry photos. Now it would be great to capture some early signs of spring. Please send in your February photos as soon as you can with both a title and a date. Remember that we're looking for the best colour photographs of landscape and wildlife (no people or pets) **within** the Manningfords village boundary that we can compile into a calendar for 2023.

Please send them, actual size (max 25Mb) to themanningfords@gmail.com and also genevieve.clarke@btinternet.com. Photographs will then be anonymised for judging and final selection for the calendar.
