## **FOR VICTIMS OF FRAUD:**

*If you suspect you've been a victim of fraud involving credit or debit cards, online banking or cheques, you should report it to your bank or card company.*

They are responsible for undertaking further investigation and reporting criminal activity to us where appropriate.

Fraud that doesn't involve your bank or card company should be reported to the business or organisation concerned. Depending on their advice, you may then need to report this to us on 101.

Where an additional crime has been committed with the fraud, for example, you have had your wallet or purse stolen or the card used fraudulently was taken as a result of a burglary, then this should still be reported to us on 101.

### **Some steps you can take to protect yourself:**

- Make sure you keep a record of all communications.
- Get a copy of your personal credit report from one of the credit reference agencies - Experian, Equifax and Call Credit. A paper version of your report is available from £2. If applications for credit have been made in your name you can ask to have any incorrect information removed.
- Consider contacting CIFAS - the UK's Fraud Prevention Service, to apply for protective registration. Once you have registered, CIFAS members will carry out extra checks whenever anyone applies for a financial service using your address.
- If you suspect mail theft, contact the Royal Mail Customer Enquiry Number on 08457 740740 or visit their website

If you are a victim of card fraud or online banking fraud you have protection through legislation, which states that you will not be liable for any losses unless you have acted fraudulently or without reasonable care.

Action Fraud can provide help and information online or by calling 0300 123 2040.

## **LANDLORD AND TENANT DISPUTES:**

Landlord/ tenant relations are a very complex area of law and the following advice is only to be used as a guide. For more complete advice you should contact the Environmental Protection department of your local authority.

The proper procedure that a landlord must follow to legally evict a tenant is:

- A legal written notice
- A court order for possession and
- A bailiffs warrant (to be enforced by a County Court bailiff).

Until all these three steps have been taken, the tenant has a right to stay in the property.

## **NEIGHBOUR COMPLAINTS AND BOUNDARY DISPUTES:**

Neighbour complaints can take many forms. Please contact us about the specific nature of the issue/complaint and we can advise further.

We do not have the power to deal with boundary disputes. This is a civil issue and you need to seek the advice of a solicitor to resolve any boundary issues you may have. It will be worthwhile contacting your bank or building society (or whoever holds your deeds) to check the boundaries.

## **PRIORITIES IN YOUR AREA:**

### **Anti-Social Behaviour –Marlborough (Priory Gardens), Pewsey (Co-op, Leisure Centre and Aston Close Park)**

It is essential that we tackle anti-social behaviour (ASB) within our community. ASB is defined as, “*Acting in a manner that caused or was likely to cause harassment, alarm or distress to one or more persons not of the same household.*” We have had an increase in reports of this type of behaviour in both Marlborough and Pewsey.

#### **ADVICE:**

Please report any behaviour as defined above to 101.

### **Rural Crime – Hare-coursing and Beauty Spot Thefts**

It is imperative that we maintain a high visible presence within our rural county. As the spring/summertime is fast approaching, we anticipate an increase in visitors to both our Beauty Spot areas and countryside. We will be aiming to regularly patrol our Beauty Spots and our rural sites that unfortunately do become a target of vehicle and rural crime.

#### **ADVICE:**

It is important for members of the public not to leave any valuables within their vehicles. It is also important for members of the Public to report any suspicious activity to us.

### **Vehicle Crime– Community Speed Watch/Drink Driving**

Keeping our roads safe is extremely important within our area as we have several A Roads that pass through DEVIZES. We will be receiving fortnightly updates from our Community Speed Watch Teams with specific areas to target.

### ADVICE:

*It is important that we work with the general public to identify unsafe road users within our county.*

We hope to show how hard we will be working to target the Roads through our Social Media updates.
