

## Changes to the Connect2 Wiltshire Bus services in the Pewsey Vale area

from 17<sup>th</sup> August 2015

Following the consultation exercises that were carried out last year, Wiltshire Council has been working with the Devizes and Pewsey Community Area Partnerships and the Devizes Passengers transport group, to devise a new timetable for the Connect2 Wiltshire services in the Pewsey Vale that can be operated in a more cost effective manner, whilst still catering for the travel needs of the majority of its customers and local residents.

These new timetables, which will be introduced on the **17<sup>th</sup> August**, are included in this leaflet and a summary of the main changes is as follows:

### Summary of changes to Lines 1, 10 & 11, buses 210 & 244 and the Devizes Rail Link taxi service

Connect2 Wiltshire **Lines 1, 10, 11** and the **RailLink Taxi service** are being replaced by new Lines 100 and 101 which will run between Devizes to Pewsey, where several journeys have been timed to provide connections with trains to Newbury, Reading & London. Many journeys will have fixed pick up times at Etchilhampton, All Cannings, Chirton, Marden, Patney Beechingstoke and Woodborough, which means that if you are travelling to/from Devizes and Pewsey from these villages at those times, you will not need to book in advance. However if you are travelling to/from Allington, Coate, Horton, Wedhampton, Honeystreet, Bottlesford, Hilcott, Stanton St. Bernard, Alton Barnes, Alton Priors or Wilcot, or if the # symbol is shown at your village instead of a time in the timetable, you will still need to book a seat with the call centre by ringing **08456 525255** as the bus will not call there otherwise.

On Thursdays and Saturdays, **bus service 210** also operates from Upavon, Rushall, Hilcot, Marden, Chirton and Etchilhampton to Devizes and as part of these changes it will also pick up at Wilsford & All Cannings from 17 August. However Tourist Coaches' early morning **bus 244** to Devizes will cease to operate after the end of August as line 101 will offer an alternative journey.

Please note that from 17<sup>th</sup> August, Urchfont will no longer be served by the Connect 2 Wiltshire service, as alternative buses to Devizes are provided approximately every hour by Faresaver bus service X72.

### Summary of changes to Line 2

Buses to Pewsey from Beechingstoke, Woodborough, Bottlesford, Hilcott, Alton Barnes and Wilcot will now be provided by new Line 101 as explained above. A link to Pewsey from Manningford Bruce, Rushall, Wilsford and the Avon Square area of Upavon will now be provided by new Line 102 and advance booking will still be required to travel to/from all of those villages.

### Summary of changes to Line 3

Line 3 will be replaced by new Line 103 which will continue to provide a link to Pewsey from Milton Lilbourne, Wootton Rivers, Easton Royal, Burbage, Wilton and the Graftons for pre-booked passengers. However Marlborough will no longer be served as there are alternative buses to Marlborough available from most of these villages.

### Changes to the Pewsey Vale Night bus service

Following comments received during the consultation exercise, we will be continuing to run the Nightbus service on Wednesday, Thursday, Friday and Saturday evenings. However we regret that the Nightbus service will no longer operate on Mondays and Tuesdays due to low patronage, and it will no longer be able to serve the Marlborough area.

**We realise that these changes may take some getting used to and so we are also designing special village timetables for parish councils to distribute. However if you need further advice on the new timetables, or would like to suggest further modifications that would make the service more useful to you, please ring us on 01380 860100, or email us at [connect2@wiltshire.gov.uk](mailto:connect2@wiltshire.gov.uk) or write to the Connect2 Wiltshire team at "The Passenger Transport Unit, Wiltshire Council, County Hall, Trowbridge. BA14 8JN".**
